

Location Tracking

With ADSI MDM you have the additional option to take out **Location Tracking**.

With Location Tracking you can opt to receive DAILY, WEEKLY or MONTHLY reports and find out exactly where your devices have been.

← For example, on this map you can clearly see where the device has been as indicated by the blue pointers.

You can also receive detailed reports with exact locations, dates and times;

Monthly Device Location Report for ADSI Ltd

For the month of: December

User Name	Device Type	Location	Accuracy	Located Date	Located Time
User Name 1	iPhone 8	Some Street, Some Town, AA11	10.2m	09 Dec 2017	05:50:20
	iPhone 8	Another Street, Some Town, AA14	23.829m	09 Dec 2017	05:53:48
	iPhone 8	Another Street, Some Town, AA14	19.8m	09 Dec 2017	07:02:02

The cost of the Location Tracking option as a bolt on to your MDM Solution is just;

	PROFESSIONAL	PROFESSIONAL PLUS	ENTERPRISE	ENTERPRISE PLUS
Monthly	£2	£2	£2	£2
Weekly	£3	£3	£3	£3
Daily	£5	£5	£5	£5

Prices per month, based on 24 month MDM contract, payable monthly by Direct Debit

Note: Location Tracking is only compatible on Android and iOS devices. Terms & Conditions apply.

Interested in where your devices are going? Ask your Account Manager to add the Location Tracking Bolt on to your MDM order 01268 495555
