

Moto G7 Power – Getting Started

The Home screen is what you see when you turn on your phone. From here you can explore apps and more.

Note: software updates happen frequently, so your screen may look a little different.

Tips and tricks

- **Open app list:** swipe up , then swipe up to scroll through apps.
 - **Return:** to return to the Home screen from any location, tap Home . If One-button nav is turned on, tap the fingerprint sensor to return Home.
 - **Pages:** to add a page, drag an app to the right side of the screen until you see a white bar. You can add multiple pages. To see other pages of shortcuts and widgets (if available), swipe the Home screen left.
 - **Settings:** to quickly open common settings, swipe the status bar down with two fingers. To open more settings, Tap .
- A small black upward-pointing arrow icon.
- **Shortcuts:** swipe up , touch and hold an app, then drag it to one of your Home screen pages. To see all your apps, swipe up .
 - **Apps:** to remove an app from a Home screen page, touch and hold the app, then drag it to **X Remove**. (The app isn't removed from your phone, just the Home screen.) To uninstall apps from your Home screen, touch and hold the app, then drag it to Uninstall
